Topics for discussion:

1. Board approval of Stacy Turek lot consolidation.
2. Update on Rose Lynn Scott lot consolidation.
3. Lawyer's template letter regarding lot consolidation. It was not written for consolidations.
4. Lot owner Corey Crawford building a modest home on Coral Lot 3. Wants to tap into SLWSD water main on Golden Tide, but not into sewer. Owns 5 acres, so he could do a septic field. In the past, have not allowed tapping into one but not the other. Discuss whether District will allow this.
5. Graham Owens lot on 353 St. Louis Place. Denied use of side lot utility easement. Dvorak wants us to consider running water on Venus Place.
6. Status of CDC proposal for engineering services.
